

Health & Safety Protocol for In-Person Worship

Before You Come

- Following the recommendations of the CDC, face coverings are **optional for fully vaccinated individuals**.
- Face coverings are **strongly encouraged for those who have not yet been vaccinated** and are **encouraged for any who are immunocompromised or desire added protection**.
- We will have a limited supply of masks if you desire one. However, as our supply is limited, we encourage everyone to bring your own masks.
- If you or anyone else in your home is displaying symptoms of COVID-19 (including but not limited to: fever or chills; cough; shortness of breath; new loss of taste or smell), please stay home and worship with us in spirit for the sake of your health and that of everyone else gathered for worship.

As You Enter

- Enter the building through the door under the portico/awning, which will be entrance-only. The side door facing the parking lot will be exit-only.
- Maintain six feet of distance between yourself and others, and please refrain from shaking hands or giving hugs
- There will be hand sanitizer at the door when you come in – please use it when you enter.
- There will be no coffee or snacks provided before or after worship. However, you are welcome to bring your own beverage.
- All are encouraged to practice social distancing in seating, as more chairs have been added.

During/After Worship

- There will be no bulletins or handouts. We will also not use the hymnals.
- We will not be passing the offering plates during worship – we will have a collection plate at the back of the sanctuary in which to place your offering.
- There will be congregational singing in the service.
- There will be no Passing of the Peace during worship.

Children's Ministry

- All children attending the worship service are welcome to stay with their family during worship or attend children's church in the nursery.
- The Children's Ministry team will provide busy boxes for each child to use/play with if the child stays in the worship service with their family.
- The nursery will be sanitized before use.
